In re: (Change of address NOTICE)

Dear Honorable Hackett;

Please allow this simplistic letter to duly serve as the formal notice that I have again returned from Circuit Court County Jail, on the above listed day, date.

While I was at the jail for the limited three (3) days NOTHING arrived for me, according to local mail agents within the jail.

I also, mention to you, that I never received my top copy styled "Motion For Change Of Address" which I likewise afforded this Court a courtesy CASE for quick return at no cost the federal courthouse -to date None has arrived herein, either?

Would you please look into where that duplicate copy may otherwise be, and alert me whether vel non you've located its whereabouts.

Please know that I deeply apologize for all the address changes [back and forth so much] but I have an ongoing case which is currently under the circuit courts jurisdiction, and I don't desire to not properly manage this case.

Please make sure the record reflects that I'm currently back at Limestone and in the event any documents, notices have in fact been forwarded to the Baldwin County Jail and somehow mysteriously found it way back to please send them to me at this location.

With Kindest Regards I am,

Patrick J. Charest
